

Top 5 benefits of Key for Business

Safety and security

Deliveries reach their destinations more frequently, and Amazon drivers are only given time-bound permission to enter and securely deliver packages after being verified via the Amazon Delivery App.

More accurate deliveries

Delivery accuracy increases with Key for Business, and drivers leave packages in the location that works best for you and your residents.

Financial savings

Amazon drivers deliver packages 7 days per week. Key for Business eliminates the need for you to maintain staff onsite during that time, and enhances your building's amenities at no cost to you.

Streamlined process

Amazon drivers access buildings and deliver packages without any help from staff. Your residents' packages are delivered more quickly, and your staff spends less time managing deliveries.

Free and seamless

The Key for Business device is compatible with most existing electrical access systems. Installation is typically quick and easy, and the device, installation, and maintenance are all free of charge.
