WHEREAS, in accordance with the Declaration, the Vistas at Sonoma Homeowners Association, Inc., a Texas nonprofit corporation (the “Association”) was created to administer the terms and provisions of the Declaration. Unless the Declaration or applicable law expressly provides otherwise, the Association acts through a majority of its board of directors (the “Board”);

WHEREAS, the Association is empowered to enforce the restrictive covenants, bylaws, or similar instruments governing the administration or operation of the Association (collectively, the “Dedictory Instruments”);

WHEREAS, Section 209.007 of the Texas Property Code was added effective September 1, 2021 regarding additional requirements related to an Owner’s request for hearing to discuss and verify facts in an attempt to resolve a curable covenant violation as contemplated by Section 209.006 of the Texas Property Code; and

WHEREAS, the Board of the Association desires to hereby establish Guidelines for Covenant Violation Hearings consistent with the provisions of Section 209.007 and to provide clear and definitive guidance to its members.

NOW THEREFORE, the Board has duly adopted the following *Guidelines for Covenant Violation Hearings* (the “Guidelines”):

GUIDELINES FOR COVENANT VIOLATION HEARINGS

To request a hearing before the Board, the Owner must submit a written request to the Association’s property manager (or to the Board of Directors, if there is no manager) **within 30 days** after the date of the covenant violation notice. The Board shall hold the hearing **not later than the 30th day** after the date the Association receives an Owner’s request for hearing.

The Association shall give the Owner **at least 10 days** advance notice of the date, time, and place of the hearing, and provide a packet to the Owner containing all documents, photographs, and communications related to the matter the Association intends to introduce at the hearing [Exhibit A – Evidence Packet Checklist].

The Association or the Owner may request **1 postponement** of the hearing, and, if requested, shall be granted for a period of not more than **10 days**. If the Association fails to provide the Owner the evidence packet **at least 10 days** in advance of the hearing, the Owner is entitled to an automatic **15-day postponement** of the hearing. The hearing will be scheduled to provide a reasonable opportunity for both the Board and the Owner to attend. If the Owner or the Owner's designated representative fails to appear for a scheduled hearing, the Board shall proceed with the hearing and consider all documentary evidence provided by the Owner, if any.

Pending the hearing, the Association may continue to exercise its other rights and remedies for the violation, as if the declared violation were valid. The Owner's request for a hearing suspends only the levy of a fine [if applicable].

The hearing will be held in a closed or executive session of the Board. During the hearing, a member of the Board or the Association's designated representative shall first present the Association's case against the owner. An Owner or the owner's designated representative is entitled to present the owner's information and issues relevant to the dispute. At the hearing, the Board should consider the facts and circumstances surrounding the covenant violation.

The Association or the Owner may make an audio recording of the hearing. If either party intends to make an audio recording of the hearing, such party shall so advise the other party prior to the commencement of the audio recording.

The Board may set a reasonable time limit for the hearing, to be determined at the Board's sole and absolute discretion, considering factors, including, but not limited to, the complexity of the issue(s). The time limitation established by the Board will be strictly enforced and is intended to allow both the Association and the Owner ample time to present their respective cases and the volunteer Board's reasonably available time to consider such matters.

The Board is not required to deliberate or reach a determination during the hearing. All information presented at the hearing may be taken under advisement by the Board for future consideration. If no determination or resolution is reached during the hearing, the Association may inform the Owner of the Board's decision in writing within thirty (30) days of the date of the hearing. If there is no such communication from the Association **within thirty (30) days**, the violation shall be deemed to exist.

All parties participating in the hearing are expected to treat each other professionally and respectfully. The Board reserves the right to terminate a hearing if the Board, in its sole and absolute discretion, determines the hearing has become unproductive and/or contentious. Unless otherwise agreed by the Board, each hearing shall be conducted in accordance with the attached hearing agenda. [Exhibit B – Hearing Agenda].

Miscellaneous.

- a. Amendment. These Guidelines may be revoked or amended from time to time by the Board. These Guidelines will remain effective until the Association records an amendment in the Official Public Records of Bexar County, Texas.
- b. Conflict. In the event of any conflict between these Guidelines and any Dedicatory Instrument of the Association, these Guidelines control.
- c. Effective Date. These Guidelines are effective upon recordation in the Official Public Records of Bexar County, Texas.

I. Introduction.

The Board has convened for the purpose of holding a hearing requested by [insert Owner name] related to a covenant violation concerning the property located at [Owner' Property Address].

The hearing is being conducted as required by Section 209.007 of the Texas Property Code, and is an opportunity for the Owner to discuss, verify facts, and resolve the matter at issue. However, after both sides are given a reasonable opportunity to present their case, the Board may elect to take the matter under advisement and conclude the hearing, pursuant to these Guidelines.

II. Presentation of Facts.

**FINE AND ENFORCEMENT POLICY for the
VISTAS AT SONOMA HOMEOWNERS ASSOCIATION, INC.**

STATE OF TEXAS §
 §
COUNTY OF BEXAR §

WHEREAS, all of the property located in the Vistas at Sonoma Subdivision (the “Subdivision”) is subject to that certain Declaration of Covenants, Conditions and Restrictions recorded as Document No. 20120106732, and as amended, in the Official Public Records of Bexar County, Texas, (the “Declaration”);

WHEREAS, in accordance with the Declaration, the Vistas at Sonoma Homeowners Association, Inc., a Texas nonprofit corporation (the “Association”) was created to administer the terms and provisions of the Declaration. Unless the Declaration or applicable law expressly provides otherwise, the Association acts through a majority of its board of directors (the “Board”);

WHEREAS, the Association is empowered to enforce the restrictive covenants, bylaws, or similar instruments governing the administration or operation of the Association (collectively, the “Dedictory Instruments”);

WHEREAS, Chapter 209 of the Texas Property Code governs the Association’s ability to enforce the terms contemplated by the Association’s Dedictory Instruments; and

WHEREAS, the Board of the Association desires to hereby establish a Fine and Enforcement Policy consistent with the provisions of the Chapter 209 and to provide clear and definitive guidance to its members.

NOW THEREFORE, the Board has duly adopted the following *Fine and Enforcement Policy* (the “Policy”):

FINE AND ENFORCEMENT POLICY

1. **General.** The Association uses fines to discourage violations of the Dedictory Instruments, and to encourage compliance when a violation occurs not to punish violators or generate revenue for the Association. Although a fine may be an effective and efficient remedy for certain types of violations or violators, it is only one of several methods available to the Association for enforcing the Dedictory Instruments. The Association’s use of fines does not interfere with its exercise of other rights and remedies for the same violation.
2. **Owner’s Liability.** An Owner is liable for fines levied by the Association for violations of the Dedictory Instruments by the Owner and the relatives, guests, employees, and

agents of the Owner and residents. Regardless of who commits the violation, the Association may direct all communications regarding the violation to the Owner.

3. **Amount.** The Association may set fine amounts on a case by case basis, provided the fine is reasonable in light of the nature, frequency, and effects of the violation. The Association may establish a schedule of fines for certain types of violations. The amount and cumulative total of a fine must be reasonable in comparison to the violation and should be uniform for similar violations of the same provision of the Dedicatory Instruments. If the Association allows fines to accumulate, the Association may establish a maximum amount for a particular fine, at which point the total fine will be capped.

4. **Violation Notice.** Before levying a fine for a new violation, the Association will give the Owner a written Violation Notice via certified mail to the Owner's last known address as shown in the Association's records and an opportunity to be heard, if requested. This requirement may not be waived. The Association's written Violation Notice will contain the following items: (1) the date the violation notice is prepared or mailed; (2) a description of the violation; (3) a reference to the rule or provision that is being violated; (4) if applicable, a description of the action required to cure the violation; (5) if applicable, the time frame in which the violation is required to be cured; (6) the amount of the fine; (7) a statement that not later than the thirtieth (30th) day after the date of the Violation notice, the Owner may request a hearing before the Board to contest the violation; (8) a statement that the Owner may have special rights or relief related to the enforcement action under federal law, including the Servicemembers Civil Relief Act (50 U.S.C. app. section, et seq), if the Owner is serving on active military duty; and (9) the date the fine attaches or begins accruing, subject to the following:
 - a. **New Violation.** If the Owner has not been given notice and a reasonable opportunity to cure the same or similar violation within the **preceding six (6) months**, the Violation Notice will comply with the provisions of Section 4, above. The notice must state that any future violation of the same rule may result in the levy of a fine. A fine pursuant to the Schedule of Fines below may be levied if an Owner does not cure the violation within the timeframe set forth in the Violation Notice.

 - b. **Repeat Violation without Attempt to Cure.** If the Owner has been given a Violation Notice and a reasonable opportunity to cure the same or similar violation within the **preceding six (6) months** but commits the violation again, then the Owner shall not be entitled to an additional Violation Notice or a hearing pursuant to Section 209.007 of the Texas Property Code, and the Association shall have the right to exercise any enforcement remedy afforded to it under the Dedicatory Instruments, including but not limited to the right to levy a fine pursuant to the Schedule of Fines. The Association may, in its sole discretion, send the Owner a second Violation Notice. The Notice will state that, because the Owner was given notice and a reasonable opportunity to cure the same or similar

violation but the violation has occurred again, the fine attaches from the date of the expiration of the cure period in the Violation Notice.

c. **Continuous Violation.** If an Owner has been notified of either a new violation or a repeat violation in the manner and for the fine amounts as set forth in the Schedule of Fines below and the Owner has never cured the violation in response to either the notices or the fines, in its sole discretion, the Board may determine that such a circumstance is a continuous violation which warrants a levy of a fine based upon a daily, monthly, or quarterly amount as determined by the Board. The fine shall begin accruing upon the expiration of the cure period in the Violation Notice informing the Owner of the Board's decision and amount of fine and the Owner's failure and/or refusal to cure as requested.

d. **Incurable Violation/Violation of Public Health or Safety.** If the violation is of an incurable nature or poses a threat to public health or safety as contemplated by Section 209.006 of the Texas Property Code, then the Violation Notice shall state those items set out in (1), (2), (3), (6), (7), and (8) herein, and the Association shall have the right to exercise any enforcement remedy afforded to it under the Declaration or other dedicatory instruments, including but not limited to the right to levy a fine pursuant to the Schedule of Fines.

5. **Violation Hearing.** Pursuant to Section 209.007 of the Texas Property Code, an Owner may request in writing a hearing before the Board to contest the fine. Covenant violation hearings are contemplated by the Association's Guidelines for Covenant Violation Hearings filed contemporaneously herewith in the Official Public Records of Bexar County, Texas.
6. **Levy of Fine.** Within thirty (30) days after levying the fine, the Board must give the Owner notice of the levied fine. If the fine is levied at the hearing at which the Owner is actually present, the notice requirement will be satisfied if the Board announces its decision to the Owner at the hearing. Otherwise, the notice must be in writing. In addition to the initial levy notice, the Association will give the Owner periodic written notices of an accruing fine or the application of an Owner's payments to reduce the fine. The periodic notices may be in the form of monthly statements or delinquency notices.
7. **Fine Due Date.** Fine and/or damage charges are due immediately if the violation is incurable or poses a threat to public health or safety as contemplated by Section 209.006 of the Texas Property Code. If the violation is curable, the fine and/or damage charges are due immediately after the later of: (1) the date that the cure period set out in the first Violation Notice ends and the Owner does not attempt to cure the violation or the attempted cure is unacceptable to Association, or (2) if a hearing is requested by the Owner, such fines or damage charges will be due immediately after the Board's final decision on the matter, assuming that a fine or damage charge of some amount is confirmed by the Board at such hearing.

8. **Collection of Fines.** The Association is not entitled to collect a fine from an Owner to whom it has not given notice and an opportunity to be heard. The Association may not foreclose its assessment lien on a debt consisting solely of fines. The Association may not charge interest or late fees for unpaid fines.

9. **Miscellaneous.**
 - a. **Amendment.** This Policy may be revoked or amended from time to time by the Board. This Policy will remain effective until the Association records an amendment to this Policy in the Official Public Records of Bexar County, Texas.

 - b. **Conflict.** In the event of any conflict between this Policy and any Dedicatory Instrument of the Association, this Policy controls.

 - c. **Effective Date.** This Policy is effective upon recordation in the Official Public Records of Bexar County, Texas.

SCHEDULE OF FINES

The Board has adopted the following general schedule of fines. The number of notices set forth below does not mean that the Board is required to provide each notice prior to exercising additional remedies as set forth in the Dedicatory Instruments. The Board may elect to pursue such additional remedies at any time in accordance with applicable law. The Board also reserves the right to set fine amounts on a case by case basis, provided the fine is reasonable in light of the nature, frequency, and effect of the violation. Any amounts due that were incurred by the Association to remedy a violation on an owner's property shall constitute a "Reimbursement Assessment" on the Lot and shall be a continuing lien upon the Lot against which such sums are due, and may be enforced in accordance with the other provisions of this Declaration or otherwise provided by law, as contemplated by Article X, Section 8 of the Declaration.
